

Welcome at Birkenhof Gols

Our culinary philosophie

We want to contribute our part for a better tomorrow. Therefore, we mainly use products from our region. It is our highest priority to use only high-end quality food. We prefer contributors from our immediate vicinity to avoid long shipping routes. What we are not able to get from our region, we obtain from other parts of Austria and only afterwards, we are looking at the rest of Europe. We try to avoid any products not coming from Austria. Although, we understand this is not always possible, especially regarding spices and similar ingredients. However, even there we highly prioritise products from sustainable cultivation.

If you come to us for a culinary delight, you should be able to do so with a clean conscious.

Our staff will gladly inform you about any possible allergens in our dishes. You can spot lactose free (Lf), gluten free (Gf), vegetarian (V) and vegan (Va) options by their indications.

We hope you will enjoy your meal and have a pleasant stay!
Family Beck & the Birkenhof Team

Please visit our website

Opening hours of our Wirtshaus - Restaurant

Friday and Saturday 9:00 - 20:30 / Sunday 9:00 - 14:00
